Professional Summary

E-commerce-focused developer with 3+ years of hands-on professional experience, completing 4 years in September 2026. Experienced in Shopify storefront customization, e-commerce websites, responsive UI, product/catalog presentation and third-party integrations, with production work including Aussie Pacific, Ajiro Matcha and Mused Boutique. Also experienced across React.js, WordPress, PHP and Laravel.

Technical Skills

Frontend	React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, responsive design
Shopify / E-commerce	Shopify theme customization, storefront setup, products, collections, responsive storefronts, e-commerce flows
Backend / Full Stack	PHP (Laravel), REST APIs, MySQL, Firebase
CMS / Platforms	WordPress, custom themes, Elementor, plugins
Integrations	Zoho CRM, API Integration, Authentication, Role-Based Access
Tools	Git, GitHub, debugging, production support

Professional Experience

RowthTech – Software Developer

June 2022 – Present

- Developed and maintained production-level web applications and websites across e-commerce, CMS and business domains.
- Built dynamic admin panels, dashboards, booking systems and responsive interfaces using reusable, maintainable components.
- Collaborated with backend teams to integrate REST APIs and ensure consistent data flow and application performance.
- Implemented authentication, role-based access and secure API communication for multi-user systems.
- Worked on debugging, production support, responsive development, API integrations and client-driven enhancements.

Key Projects

Shopify Projects

SHOPIFY • E-COMMERCE

Aussie Pacific [Live Site]

Online e-commerce storefront for an apparel/teamwear business. Worked on Shopify storefront customization, product and collection presentation, responsive sections, navigation and customer-facing shopping flows.

SHOPIFY • E-COMMERCE • ZOHO CRM

Ajiro Matcha [Live Site]

Online premium tea/matcha store. Worked on Shopify storefront customization, product presentation, responsive customer experience and Zoho CRM customer/contact integration requirements.

SHOPIFY • FASHION E-COMMERCE

Mused Boutique

Online fashion store with customized Shopify theme, product setup, responsive design and customer-facing storefront implementation.

React.js / PHP / Laravel Projects

REACT.JS • EVENT MANAGEMENT

Chapel Farm — Event Management Platform

React.js event-management platform with a centralized dashboard for managing events, sub-events, venues, couples, guests, staff, vendors and day-to-day event operations.

- Dashboard covering total/active events, monthly activity, couples, staff, vendors and upcoming-event summaries.
- Modules included Events, Task Overview, Venues, Event Types, Menu, Members, Vendor, Couple, Layout, Inventory and Ceremony Packages.
- Event listings tracked sub-events, event type, venue, couple, guest count, date and status, with guest demographic reporting.

REACT.JS • TRANSPORTATION

Moover

Transportation platform featuring Admin and Vendor panels for managing bookings, routes and payments.

REACT.JS • ACCOUNTING

AccountsPro

Accounting platform enabling accountants and clients to manage transactions, reports and invoices through multi-role business modules.

REACT.JS • CYBERSECURITY

Eagle / Almate

Cybersecurity vulnerability-scanning platform with reporting and analytics dashboards and data-driven interfaces.

REACT.JS • SPORTS BOOKING

Padel

Sports booking and match-management platform with live scheduling and user authentication.

REACT.JS • LIVE AUCTION

BMG

Live auction and bidding system supporting real-time updates and secure transaction-related workflows.

REACT.JS • FIREBASE

Find Me

QR-based missing-person verification platform integrating Firebase for data management and verification workflows.

PHP • LARAVEL

Hotel Booking System

Full-featured PHP/Laravel booking platform with Super Admin and Vendor modules, room management and booking analytics.

WordPress Projects

WORDPRESS

Kaintal School / Kaintal Prep / Kaintal Global

Education websites with structured content, responsive layouts and school-specific page experiences.

WORDPRESS

Al Raisi Perfumes

E-commerce website with product catalog, payment-related integration, custom design and responsive storefront/content layouts.

WORDPRESS

EdoceHealth

Healthcare landing page with responsive UI, performance-focused implementation and SEO-oriented structure.

WORDPRESS

Arc Providers

Healthcare consultation platform with appointment booking, service listings and responsive WordPress implementation.

WORDPRESS

Noveus

Modern corporate technology website with dynamic content management and responsive frontend presentation.

WORDPRESS

BMG Asset Management

Equipment rental platform with product listings, inquiry forms and business-focused content management.

Education

Bachelor of Computer Applications (BCA)

Lovely Professional University, 2021 – 2025
